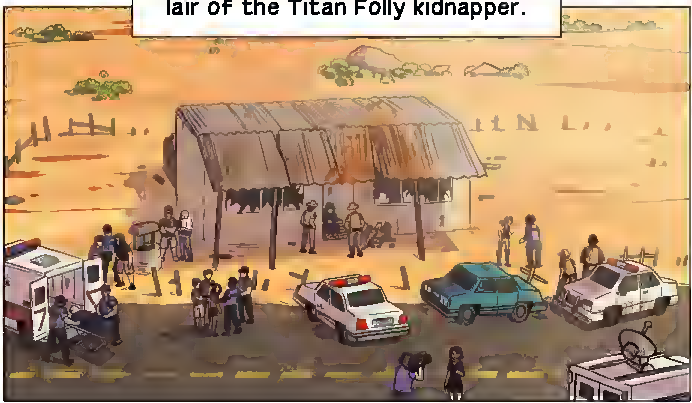
After what has been confirmed to be an ongoing supernatural happening, I am pleased to report that all victims are alive and accounted for...

Quinn's plot, as well as his victims, were discovered by – ah, there she is.
Excuse me, Ms. Barros!



This is Angela Ibarra, reporting live from just outside the lair of the Titan Folly kidnapper.

Oh.
You.
Hey.

I was wondering if your offer still stood... if you wanted my help hunting down the Hierophant.

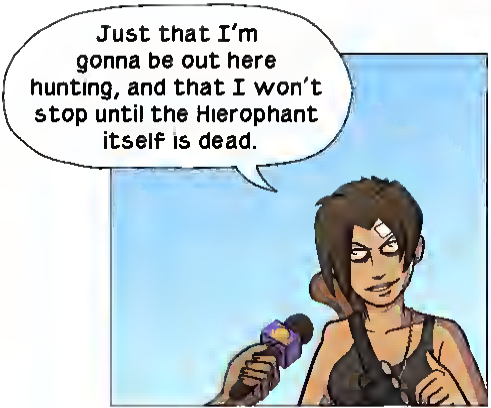
Ms. Barros. You've restored hope to dozens and family and community members here today.
Do you have anything to say to our viewers?



Just that I'm gonna be out here hunting, and that I won't stop until the Hierophant itself is dead.

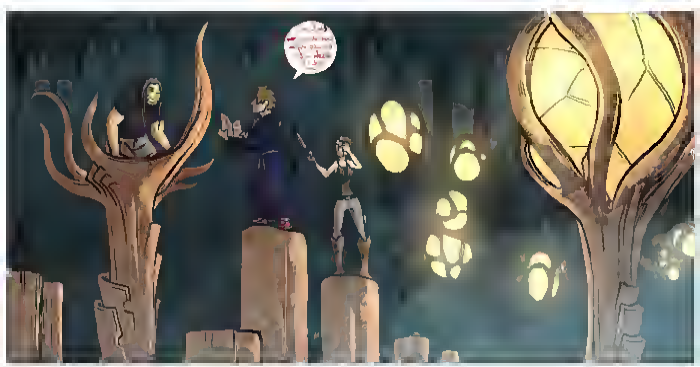
What is it?
I was... hm...

Yeah?
Yeah.
All this wouldn't have happened if I never... retired.



...and that the perpetrator, a local teenager by the name of Daniel Quinn, is on his way to a holding facility.
